

Alix Siekert

Alix has been with fête since January 2021. Before joining the fête team, Alix worked various hospitality jobs at restaurants and wedding venues, she also worked as a high school Special Education Aide too. Alix was born in Mineral Point, WI and then moved to Fort Atkinson, WI once she began school. She is a dog mom to her 8 year old rescued Basset Hound mix, Tucker, and loves spending time with him! Alix is a sucker for those Basset Hound puppy eyes :) When not working, Alix enjoys spending time outdoors and being with family. Alix says that joining the fête team has been such a blessing, and she is thrilled to have such an amazing support system with her work family. She couldn't have asked for a better team!

Alix's favorite thing about fête - **Alix's favorite thing about fete is being able to watch the venue transform week after week. It's such an amazing sight to watch each and every client she works with bring new and different vibes to the venue. Alix loves seeing all the different color schemes and decor! She loves all her couples and getting to play a small part in their big day with us at the venue. Making that connection with each couple is such a special feeling and then getting to see their dream wedding come to life!**

Alix's favorite season - **Alix's favorite season is fall because it is the perfect mixture of weather and the vibrant colors go great with her hair :) She wishes the fall season lasted longer than it does here in Wisconsin.**

Alix's guilty pleasures - **Hallmark Christmas Movies & Online Shopping.**

When Alix is not at fête...**You can find her snuggling her dog, Tucker! She also enjoys reading, shopping, the outdoors, and spending time with her family.**

Alix's favorite Disney character - **Russell from Up.**

Alix's least favorite household chore- **Putting away laundry!**

What motivates Alix? - **Providing clients with a stress free event and ensuring their day is everything they imagined it to be and more.**

Alix's irrational fear - **After watching the movie Final Destination as a middle schooler, Alix will never enter a tanning bed (or be caught watching any more scary movies)!**

Alix's favorite binge worthy TV show - **Alix watches a ton of different shows, but her favorite feel-good show would have to be either The Office or New Girl.**

A fun/interesting fact about Alix's hometown - **Alix grew up in Fort Atkinson, home to the one and only Fireside Dinner Theatre. The Fireside presents Broadway musicals year round and provides guests a fine dining experience before every show. (Fun fact - Alix worked there throughout high school and college!)**
